

390 Washington St.

Dear Miss Sutphen

I tried to speak with you over the telephone but you were out - I am glad the weather is so pleasant so you can enjoy your father's company for a walk - I called on Mrs. Yauk this

week and found her a nice little woman - Mrs. Yauk seems to me sensible and very thoughtful -

I expect Mrs. Yauk and her brother Mr. Achey to visit my home Sunday and I think they will consent to let Mary visit me this coming week for a few days to see if she will be happy - and so I am

writing for your consent  
to this plan -  
hoping Mary will soon be  
settled comfortably and  
happy in my home to stay  
and with best wishes  
and gratitude for your efforts  
May 10th Lydia B. Grimm.
